To Whom It May Concern

Sandra Fieger was employed on this motor yacht from August 20, 2006 until November 7, 2006 as a Deckhand. During this time I found her to be a hard worker who performed her duties well.

She is capable of undertaking heavy work and assisted me during her time on board in the routine and non-routine maintenance of the vessel as well as the normal duties of a deckhand including cleaning of the vessel and mooring assistance. She also assisted our cook/stewardess with interior work as was needed.

She leaves the vessel of her own free will and I wish her well in her future career in yachting.
